

TERRA FOODS Single source, extra-virgin Greek olive oil

Produced exclusively from Stavros' paternal hamlet of Vasilakion , 30-minute drive south of Sparta, in the southern Peloponnese.

This fragrant, delicious oil is organically produced (Eurocert GR-BIO-17) and cold extracted from the first pressing of hand-picked olives, is 100 % pure – not refined, blended, chemically processed or filtered. He will be pleased to explain the delectable addition this fragrant oil makes to any cuisine and its cosmetic properties. Stavros is also an avid photographer and brings to the market his greeting cards composed of varied nature and travel scenes.

Thank you (efharisto)... Stavros Kalogerakos
